SHORT BIO

Ashana is one of the premiere healing music artists and New Age vocalists of our time, weaving together soaring, angelic vocals and the celestial sound of alchemy crystal singing bowls. This exquisitely crafted sonic tapestry enfolds the listener in a transcendent experience of the Divine and has been hailed by listeners all over the world as “breathtaking” and “a gift from heaven.” A life-long student of yoga and mantra from many of the world’s spiritual traditions, Ashana has led two online, group yoga meditations touching the lives of more than 20,000 people in 50 countries. As a renowned master crystal bowl artist, teacher, and sound healer, Ashana is an expert in the field of sound healing with crystal bowls, training students from all over the world in the art of applying crystalline sound to therapeutic and artistic healing modalities in her Crystal Bowl Mastery program. Ashana lives in Sedona, Arizona with her husband James Kawainui, their siamese cat, Tara (who has said she is really a Bengal Tiger), and of course, her magnificent family of over 100 crystal singing bowls.

EXPLORE THE SOUND OF ASHANA
